

# Working for the Danube and its people

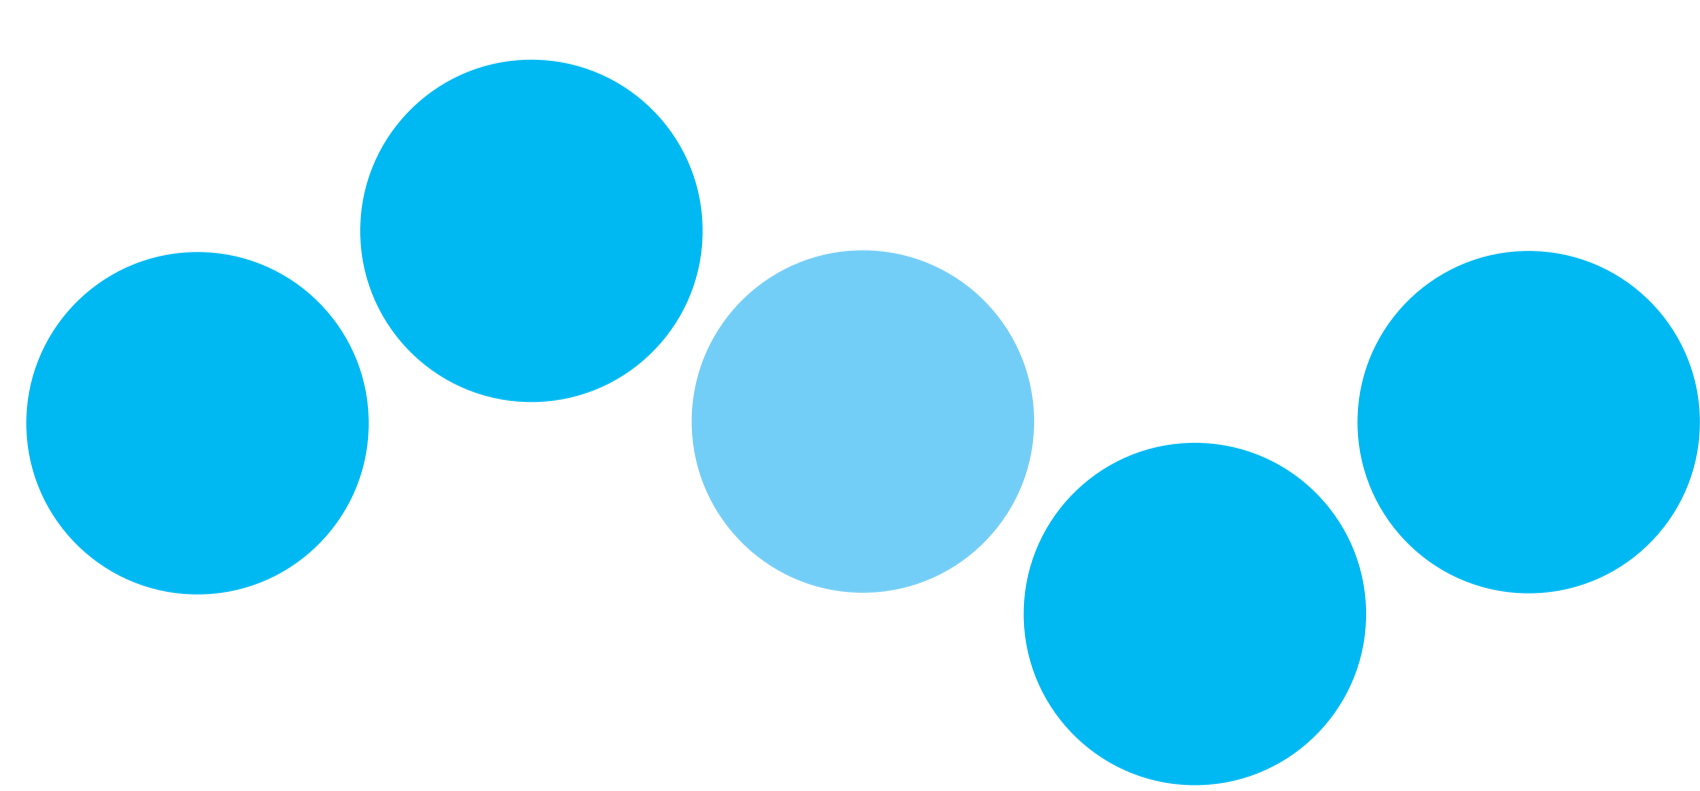

- The most international river basin in the world
- The basin includes the territories of 18 states
- It plays an important role in the lives of 81 million people

## Danube Regional Project

- Works in partnership with the International Commission of the Protection of the Danube River (ICPDR)
- Provides assistance and expertise to Danube communities, businesses, governments, agriculture and industry
- Committed to working with and involving the people of the Danube

One of the largest and most ambitious environmental river basin projects in the world

REGIONAL  
PROJECT

# Partnership for the Future

- A powerful partnership
- Protecting the Danube and its natural ecosystems, and safeguarding its water quality

Photo: Mario Romulic

## What we do together:

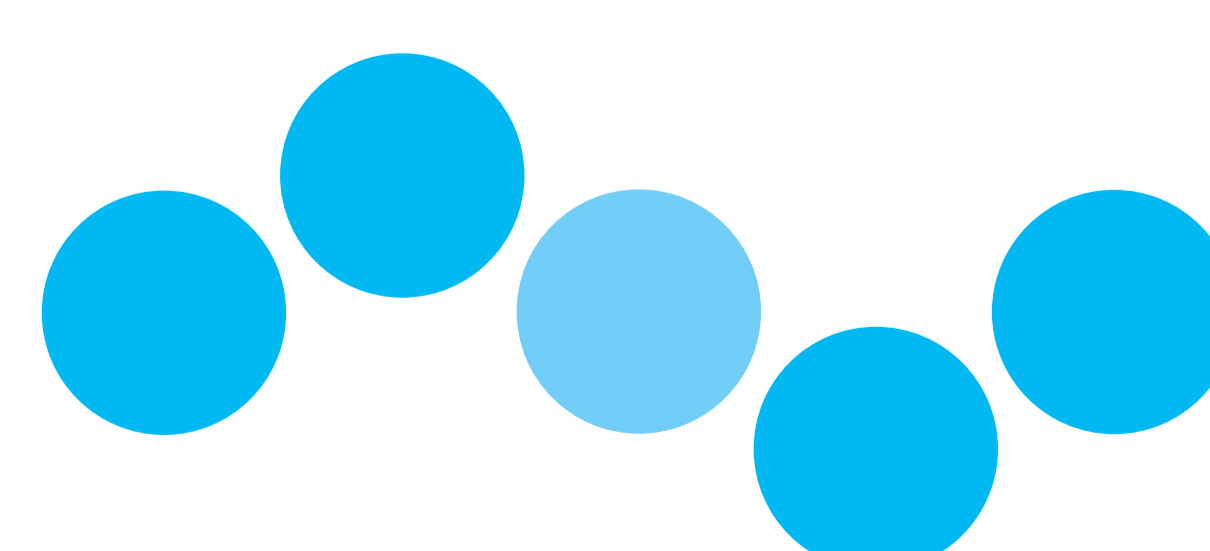

- Share knowledge and build capacity
- Develop policies for sustainable water management
- Provide technical expertise on water issues
- Promote the involvement of the people

Transboundary cooperation  
for the good of the river  
and the people
